## Disclaimers

### Website Disclaimer

Information contained within this website may contain inaccuracies or typographical errors. Information may be changed or updated at any time without notice. Information on this web site is provided "as is" without warranty of any kind, either express or implied representations, including, but not limited to, the implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement. HydroTerra makes no representations warranties or guarantees as to the quality, accuracy, or completeness of any materials contained on this site.

### Event & Committee Disclaimers

The statements, analyses, opinions, information and conclusions in any presentation, webinar, symposium, conference, course and/or any other speaker event are those of the author/presenter and not of HydroTerra Pty Ltd (HydroTerra), which only acts in the capacity as host/convenor of such events. This disclaimer extends to communications with HydroTerra webinar organisers. No part of such events and/or communications can be regarded as legal advice. Although care has been taken in preparing such events and/or communications, neither HydroTerra nor the author/presenter represent or warrant that the information supplied is current, complete or accurate. To the full extent permitted by law, the author/presenter/ and HydroTerra do not accept any liability, or owe a duty of care, to any person in respect of any such information. No person should rely in any way on the content of such events and/or communications and are encouraged to seek independent legal or other professional advice, if required.

### Limitation of Liability

HydroTerra shall not be liable to any party or any direct, indirect, special or other consequential damages for any use of this website, or on any other hyper-linked website, including, without limitation, any lost profits, business interruption, loss of programs or other data on your information handling system, equipment or otherwise, even if we are expressly advised of the possibility of such damages.

### Third Party Links

Links to third party sites are offered as a convenience and are controlled by the third parties independently of HydroTerra. HydroTerra accepts no responsibility for the use of these third party sites. These links do not imply endorsement and the responsibility, to take precautions to ensure that whatever you choose to select and use is free of viruses and other harmful items, is the users'.

### Links to other sites

HydroTerra maintains links to other web sites but makes no representations as to the accuracy of the material therein, and is not responsible for the content and conduct of these sites, nor of any goods purchased on these sites. The presence of any link or reference to a third-party website, product or service does not imply an endorsement or recommendation by HydroTerra.

### Copyright and Intellectual Property

All content including text, images, logos and graphics, on this website is the property of HydroTerra and is protected by applicable copyright and intellectual property law.
